

BuildingVisitor

```
classDiagram
    TotalVisitor --|> BuildingVisitor
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'BuildingVisitor' with a light gray fill and a black border. Below it is a box labeled 'TotalVisitor' with a white fill and a black border. A vertical blue line connects the bottom of the 'TotalVisitor' box to the bottom of the 'BuildingVisitor' box, ending in a blue arrowhead pointing upwards towards 'BuildingVisitor'.
